Omschrijving

Beautifully presented villa on a flat plot with stunning front line sea views over Portixol Island, Cap Negre and Ibiza in the distance. Built in 2000 and recently completely refurbished, the property is on 2 levels. The ground floor consists of porch, entrance hall, double bedrooms and shower room. An open plan kitchen/living/dinning room leads to a covered naya, 10x5 south facing pool, surrounding double terrace and summer kitchen. The upper level has 2 ensuite double bedrooms and solarium. There is parking for numerous cars and a low maintenance garden. Ideally located on one of Javea's most prestigious urbanisations benefiting from underground electricity cables, piped in gas and mains sewage. Close by are a number of restaurants, a tennis/padel club and a supermarket plus the pretty coves of Portixol and Granadella. Javea's popular Arenal beach, the port and historic old town are 10/15 minutes' drive away.
