Omschrijving

One of the last building plots for sale in a popular and well-established urbanization close to Jalon in the Jalon Valley. A unique opportunity for us to build your dream home in an already completed urbanisation. The plot has electricity, water and drainage ready for connection and we have inhouse architects that will help with the design, planning and construction of your perfect villa. The urbanization holds a great mixture of holiday homes and full-time residences of all different nationalities which gives you a place where you can enjoy a quiet peaceful life and make lots of friends or as an investment with a rental income when not using the property. Jalon is located a few kms inland of the Marina Alta on the North Costa Blanca and is the principal town of the Jalon Valley. There are many facilities and services including; restaurants, bar, tourist information centre, supermarkets, doctors, vets, hairdressers and of course the well-known Saturday market which attracts many visitors to the Jalon Valley from far and wide every Saturday and fruit and veg market on a Tuesday and a farmers' market on Saturdays. Call us today to make an appointment to discuss any questions you may have and arrange a viewing of the plot.
