Omschrijving

This absolutely stunning 'Ibiza finca' inspired villa offers incredible 180 degree views spanning from El Portet/Moraira across Benissa coast to the Peñon De Ifach in Calpe. The plot is conveniently accessed from two entrances, the lower level with a garage and the upper access with parking for 3 or more vehicles.

One of the original properties located on a sought after road, with close proximity to the towns of Moraira/Teulada, Calpe and Benissa, this unique property offers 5 bedrooms in total, with 3 beds in the main living along with an independent 2 bedroom apartment. The main living area leads to a vast poolside terrace, the perfect area to enjoy the breath-taking vista, here we also have a BBQ and covered dining area. The traditional design was impeccably thought out with no apparent straight lines featuring many gorgeous features such as original 'Barro' terracotta flooring and reclaimed beams.

This wonderful home has tonnes of charm and offers huge potential for investment or as a wonderful home.
