Omschrijving

Welcome to this stunning villa project in Cumbre del Sol! One of the most amazing and stand out features of this lovely villa is the waterfall pool. This villa is a dream home with views of the sea, lots of natural light, stylish and modern design, tranquil area and the pools. The first floor includes 2 bedrooms and 2 bathrooms which are connected to the terrace with a pool. On the ground floor, we find a very spacious living room, a kitchen/dining room, a guest bedroom, 2 bathrooms and a large terrace with a swimming pool. On the second ground floor, the project has a guest apartment with its own bathroom and storage room. This villa takes breathes away with all of its amazing features, be the one to make it a home!
